# ABOUT THE DR. PREM REDDY FAMILY FOUNDATION

The Dr. Prem Reddy Family Foundation has donated millions of dollars to charities supporting healthcare and education - locally, nationally, and globally. Generous support has been provided through educational grants, scholarships, building libraries, free community clinics and causes such as the March of Dimes. The foundation also supports Samaritan's Purse by donating equipment for clinics in poverty-stricken regions around the world. Over the years, the foundation has funded clean water initiatives, childhood vaccination programs, educational grants, new medical clinics and medical missions to treat pediatric congenital heart defects and blindness with free cataract removal surgeries.

**The Dr. Prem Reddy Family Foundation has awarded more than \$1.5 million in academic scholarships since 1994.**

The Dr. Prem Reddy Family Foundation Scholarship Program was created for students in the medical field who have achieved academic excellence and are dedicated to improving the lives of others through their work in healthcare. We are honored to support your dreams, your future in healthcare, and your commitment to service.
